In support of their request, CCI and BellSouth state the following:

1. CCI and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to CCI. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on September 8, 2003.

2. The parties have recently negotiated an Amendment to the Agreement relates to Local Number Portability. A copy of the Amendment is attached hereto and incorporated herein by reference.

The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

5. CCI and BellSouth aver that the Amendment is consistent with the standards for approval.

6. Pursuant to Section 252(i) of the Act, BellSouth shall make the Agreement available upon the same terms and conditions contained therein

CCI and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties
